“How can I accept card payments while keeping transactions secure?”

Streamlined and secure sales everywhere you do business.

Online, at a store or remotely, we ensure you don’t miss a sale with Merchant Card Services.

No matter where you operate, and whether you have $1K or $500K in monthly sales, our partnership with BancCard of America, Inc. — an industry leader in electronic processing — gives you access to the latest secure technology to compete with larger retailers at affordable prices.

The Latest Equipment and Technology
From physical terminals to mobile technology — including contactless payment technology and e-commerce integration — you’ll receive tools and equipment customized to how you do business.

Convenience for Your Customer
VISA®, MasterCard®, American Express®, Discover®, Diners Club® and Apple Pay® cards are all accepted, including gift cards. Receipts and invoices can be emailed to customers and expedited funding is available for you.

24/7 Technical Support
From implementation and training to everyday operations, you’ll have access to technology support at all times to keep your system running smoothly.

We make switching simple.

Get up and running in just a few days. Equipment is delivered and installed quickly and our local team gets your system operational and remains available to help you with your first transactions and to answer any questions.

Ready to streamline your credit card transaction process?

We’re ready when you are. Our local team is right down the street to guide you through set-up, training and ongoing servicing. We’re with you all the way. Visit us at FirstUnitedBank.com/treasury-management
