“How can I protect my account from electronic fraud?”

With ACH Block and ACH Positive Pay services, there is an added layer of security safeguarding your account.

We can either block all ACH credits and/or debits or use your custom list of authorized transactions to safeguard from unauthorized activity.

Your business should not be subject to a security disruption or the loss of operating cash. Our ACH Block and ACH Positive Pay tools are designed to protect your funds while staying a step ahead of threats to your business.

Here’s how it works:

ACH Block
Our core will block all ACH credit and/or debit entries on your account.

ACH Positive Pay
You create a whitelist of all approved ACH vendors. We do the rest and block unauthorized requests for payments.

Ready to secure your business and gain an edge on fraud?

We’re ready when you are. Our local team is right down the street to guide you through set-up, training and ongoing servicing. We’re with you all the way. Visit us at FirstUnitedBank.com/treasury-management
