Prayer is a conversation between our Father God and us, His kids! He wants to have a relationship with us so we need to talk to Him and spend time with Him. To have a successful AND powerful prayer habit, remember to do these things:

- Make your prayer habit achievable - start small
- Make it a priority to yourself - spend time daily praying
- Visualize your success - think of this picture and the power of just one prayer

- **Landon Whitlock shared:**

Develop the habit of reading and studying God's Word:

- Start with growing in your love for God by discovering how much He loves you
- Get involved in a local church group like a Sunday School or Life Group
- Find a simple way to get into the Word with others for accountability
- **R.O.A.D.** Bible study method:
  1. What did you **R**ead?
  2. What did you **O**bserve?
  3. How can you **A**pply that to your life?
